

Sinclair Broadcasting's politically motivated decision to compel their stations to air an anti-Kerry special days before the election is a clear example of the dangers of media consolidation.

Sinclair is privileged to use public airwaves free of charge. Sinclair is obligated by law to serve the public interest.

Sinclair's actions show why it is imperative the Fairness Doctrine be reinstated. And is a clear example of why the license renewal process needs to involve more than a returned postcard.

Please do the responsible thing, and stop Sinclair from abusing their broadcast privileges.
